**FAQS: Frequency Asked Questions about IGETC**

**Q What is the Intersegmental General Education Transfer Curriculum (IGETC)**

**A** IGETC is a general education pattern which community college transfer students can follow to fulfill lower-division general education requirements for either the UC or CSU systems. This pattern is advisable for students who are undecided about their transfer goals because it keeps their options open. Many private/independent colleges/universities also recognize or accept IGETC (see a counselor for details).

**Q Is IGETC an admission requirement?**

**A** NO. There is no connection between completion of IGETC and eligibility for admission to the CSU or UC system.

**Q What alternatives to IGETC exist?**

**A** Community college students who are CSU-bound have the option to complete the CSU General Education Breadth requirements. Students who are UC-bound have the option of completing the general education requirements of the destination UC campus or the minimum UC transfer admission requirements as listed on ASSIST.org > select Las Positas College and UC Transfer Admission Eligibility Courses.

**Q Is it advisable for all transfer students to follow IGETC?**

**A** NO. Not all majors should follow IGETC. Students pursuing majors that require extensive lower-division major preparation (i.e. Engineering) may not find IGETC advantageous, and the transfer institution may advise following the minimum UC eligibility requirements listed on ASSIST.org > select Las Positas College and UC Transfer Admission Eligibility Courses.

**Q What are the minimum UC Transfer Eligibility Requirements for junior-level transfer students?**

- 60 UC transferable units
- 2.4 cumulative GPA (impacted campuses and majors may require higher GPAs)
- No more than 14 semester units taken Pass/Not Pass (P/NP)
- 7 UC transferable GE courses as follows:
  - ‡ 2 courses in English composition (IGETC Area 1 – please see a counselor for details)
  - ‡ 1 course in Mathematical Concepts and Quantitative Reasoning (IGETC Area 2)
  - ‡ 4 courses chosen from at least 2 of the following subject areas (see IGETC for approved courses):
    - Arts and Humanities
    - Social and Behavioral Sciences
    - Physical and Biological Sciences

**Q Will all UC and CSU campuses accept IGETC?**

**A** NO, for example UC Berkeley’s Haas School of Business and Engineering will NOT accept IGETC.

**Q Can I use Advanced Placement (AP) and International Baccalaureate (IB) exams for IGETC?**

**A** YES. AP and IB exams may be applied to IGETC with passing scores. For details, see the AP and IB Charts in the LPC Catalog. However, application of AP and IB exams to major requirements can vary at each UC campus.

**Q What is “IGETC Certification” and how do I request it?**

**A** IGETC certification is the process by which the community college verifies that a student has completed all of the required coursework for the IGETC pattern (11 courses/34 units where Area 1C is not required and partial completion is also possible), which is sent directly to the transfer institution. If IGETC is not certified, students may be subject to the lower-division general education requirements of the campus to which they transfer. Request an IGETC Certification in the Admissions & Records at the end of the last semester before transferring.

**Please note that Las Positas and Chabot College DO NOT share CSU GE-B or IGETC patterns. If you are interested in taking a course at Chabot College please be sure to see a counselor.**
